

STAGEHAND TRAINING

Step Into a Thriving Career in the Events Industry and Employment Opportunities in Las Vegas Valley

Goodwill's two-week Stagehand Training Program opens the door to careers in the events industry. Stagehands prepare stadiums, arenas, and other venues for events by:

- Loading and unloading materials from trucks
- Moving, testing, and setting up equipment
- Assembling and breaking down equipment, scenery, and support structures
- Inspecting lighting, sound, equipment, and ensuring power source connections

Stagehand Training participants are fast-tracked into employment after attending a series of learning courses, beginning with a Goodwill Thrive Career Workshop. Participants then complete two certifications—OSHA10 General Industry, and Forklift and Powered Industrial Trucks—with an OSHA authorized instructor. The training concludes with general knowledge and hands-on practice with an experienced Goodwill facilitator. The complete program and our partnership with Rhino Staging gives participants an edge in securing employment.
